

SPECIAL EDUCATION/RESOURCE DEPARTMENTAL CURRICULUM PROFILE

PROGRAM DESCRIPTION

The program provides services to students with special needs in an inclusive setting with supports as needed to the greatest extent possible.

PHILOSOPHY

The philosophy of the resource program of Lyons-Decatur Northeast is to facilitate a collaborative environment between the resource program, parents, and teachers so that the needs of students with disabilities can be met within an inclusive setting in the general curriculum classroom or in their least restrictive environment.

OBJECTIVES IN THE SPECIAL EDUCATION/RESOURCE PROGRAM

- Provide support to teachers for students with IEP's.
- Collaborate with teachers on ways to meet IEP goals and accommodations.
- Co-teach with classroom teachers so that students with IEP's can access the general curriculum.
- Develop IEP's that help students succeed in the general curriculum or align with their IEP goals.
