Mobiles

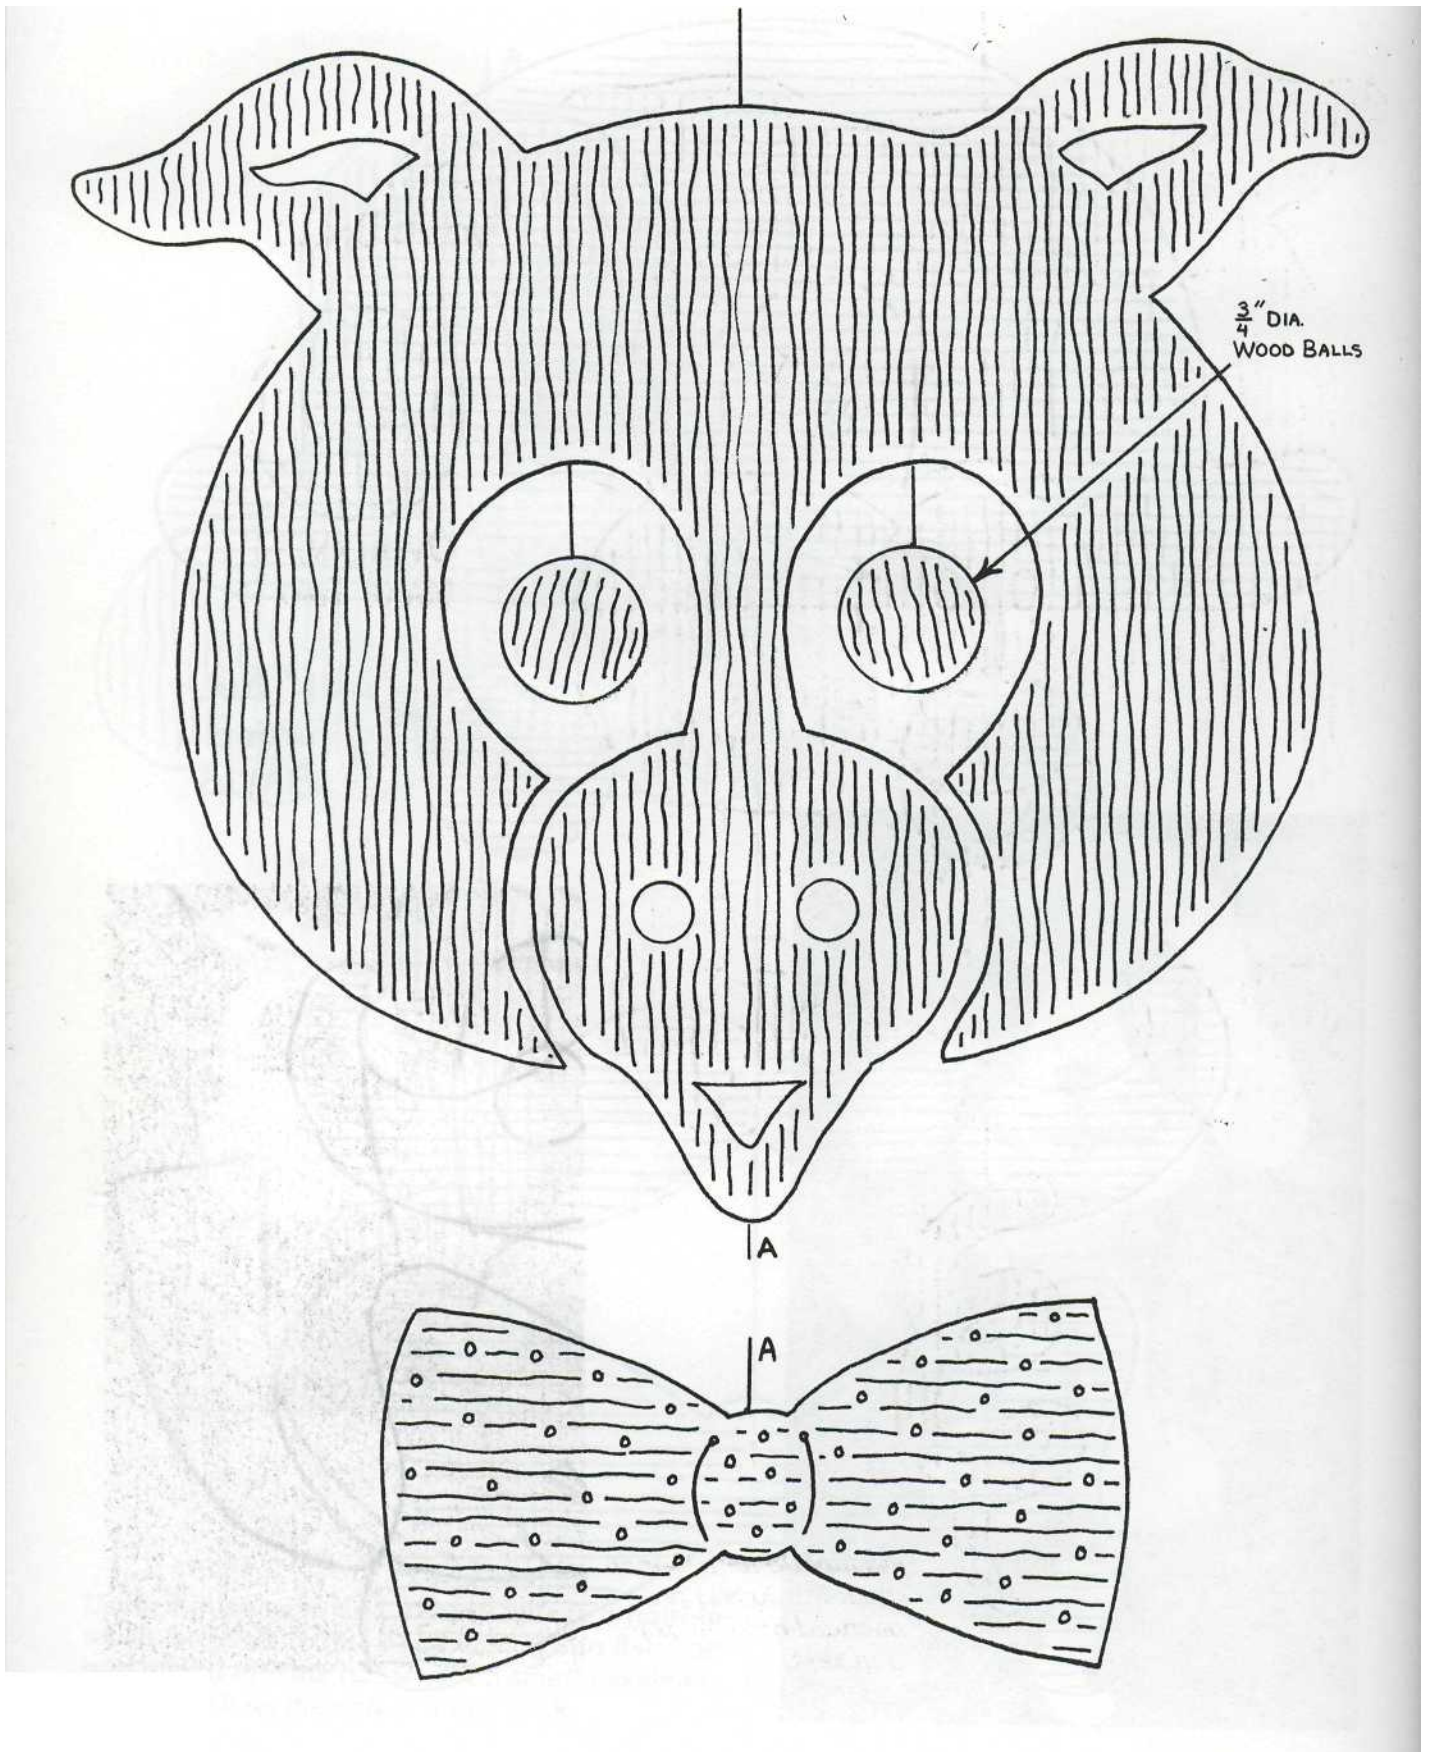

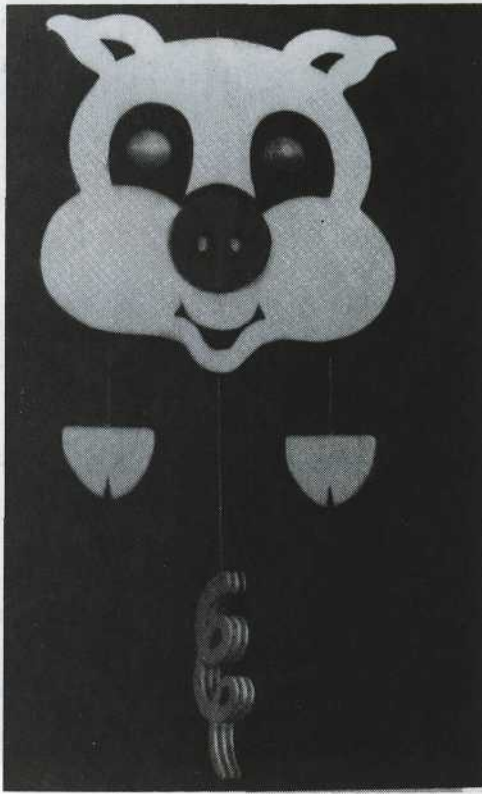

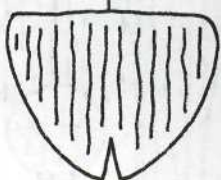

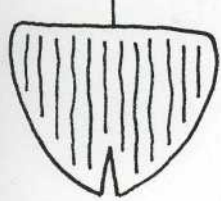

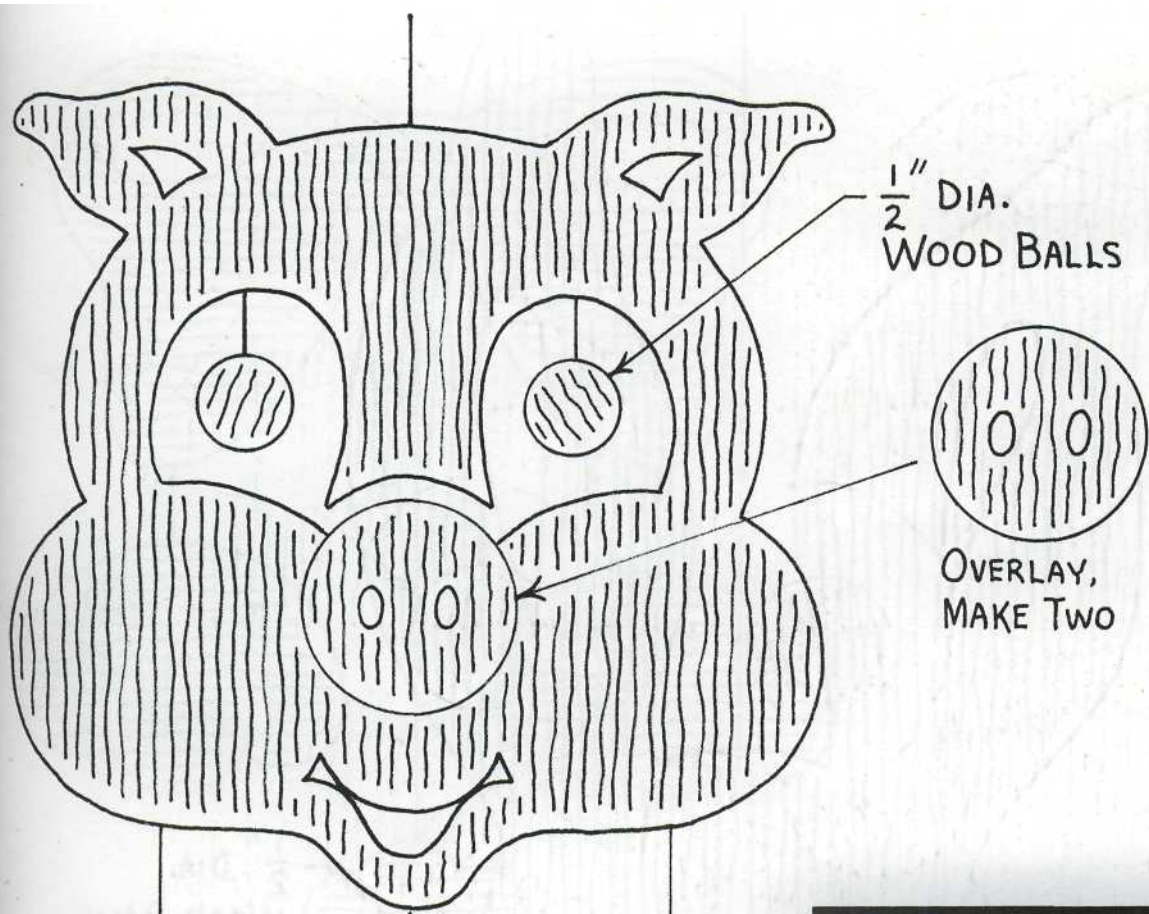

Puppy mobile sawn from thin (1/4 inch) plywood.

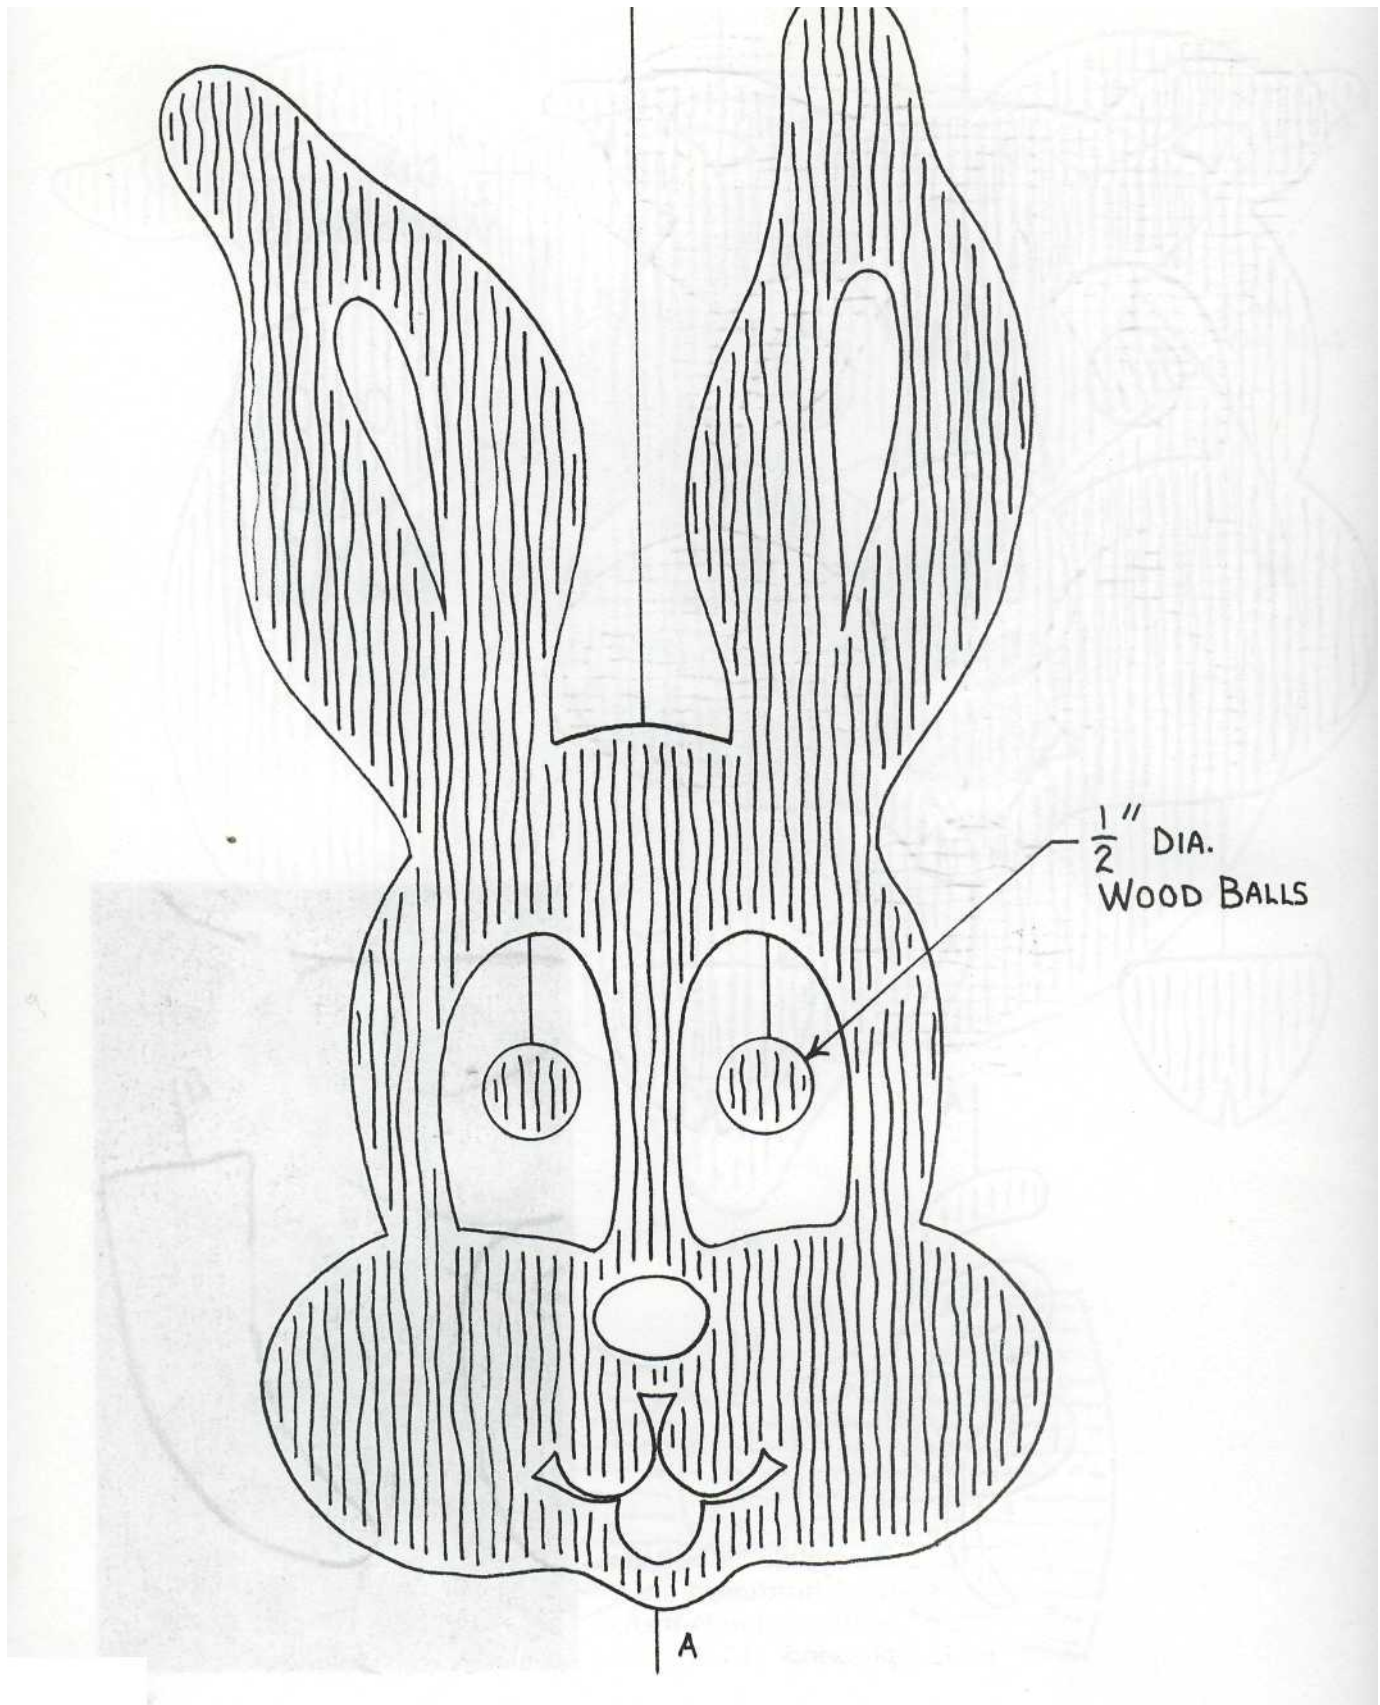

Using a pin vise to drill a small hole in a hard-to-reach location. To hang ball eyes, insert fish line and glue it into the holes with a small wooden wedge such as the end of a toothpick.

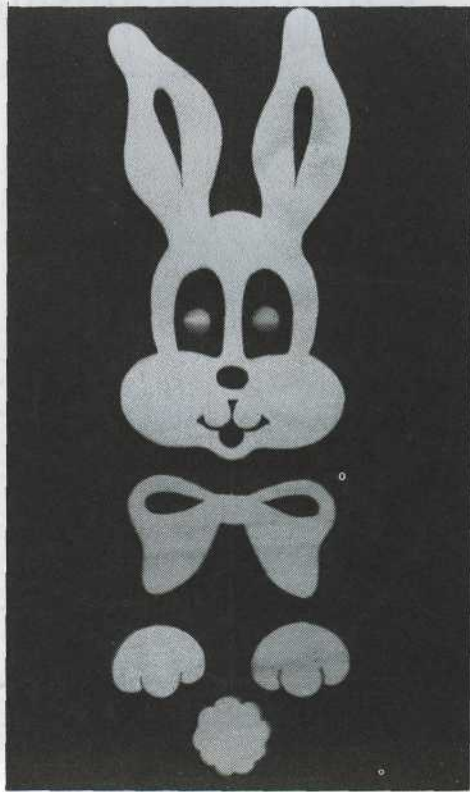

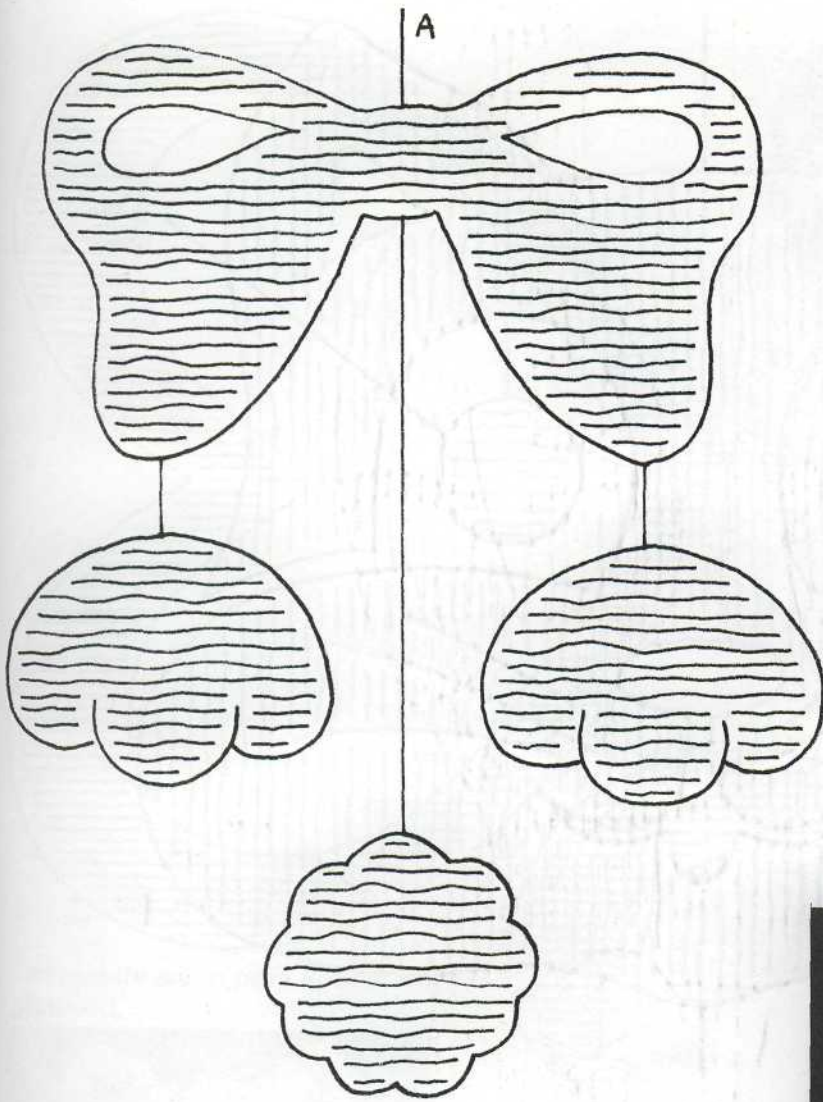

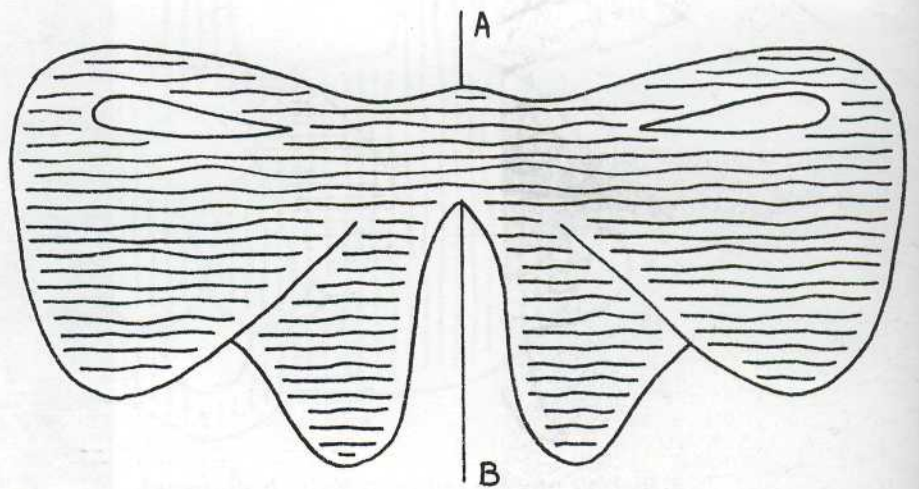

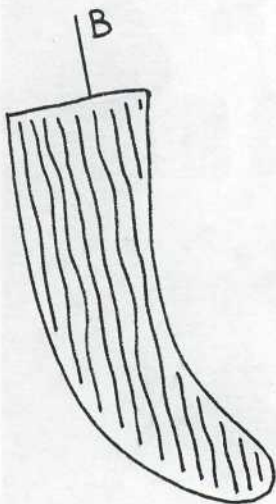

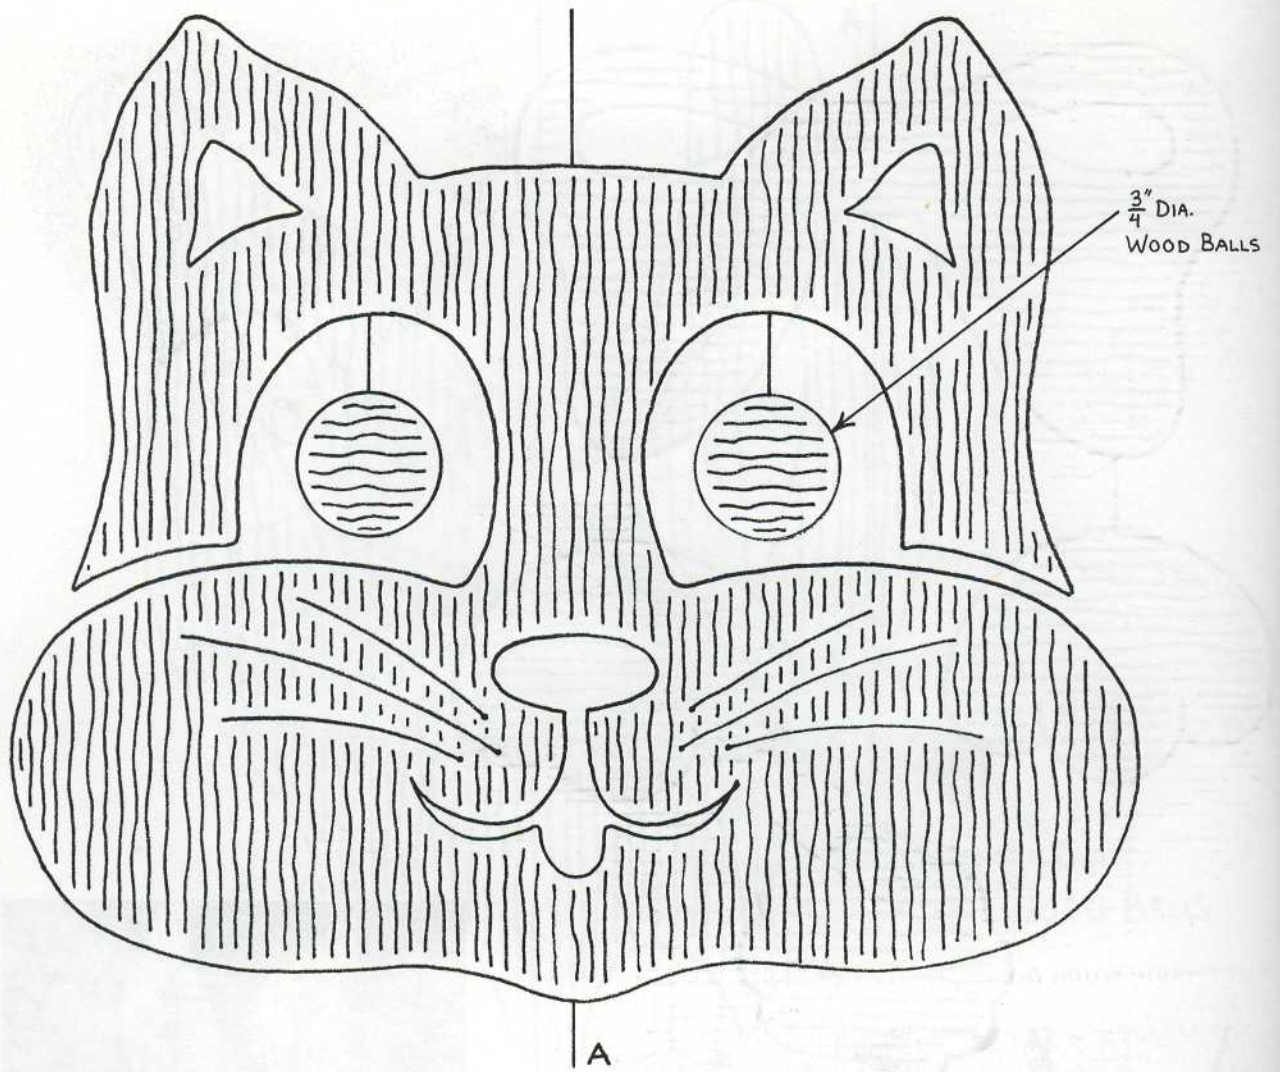

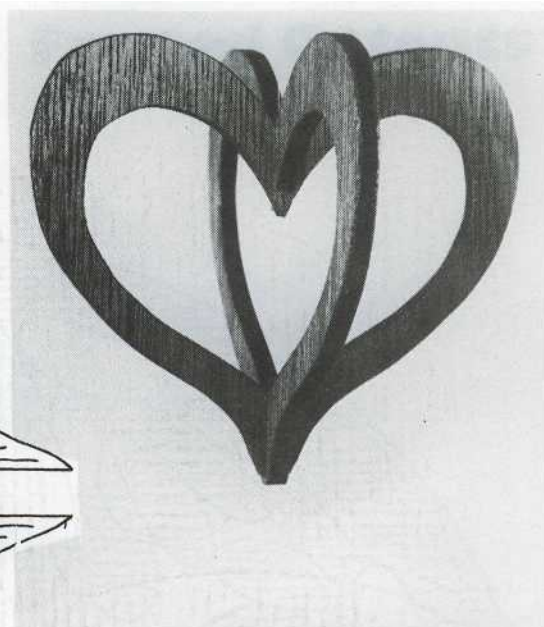

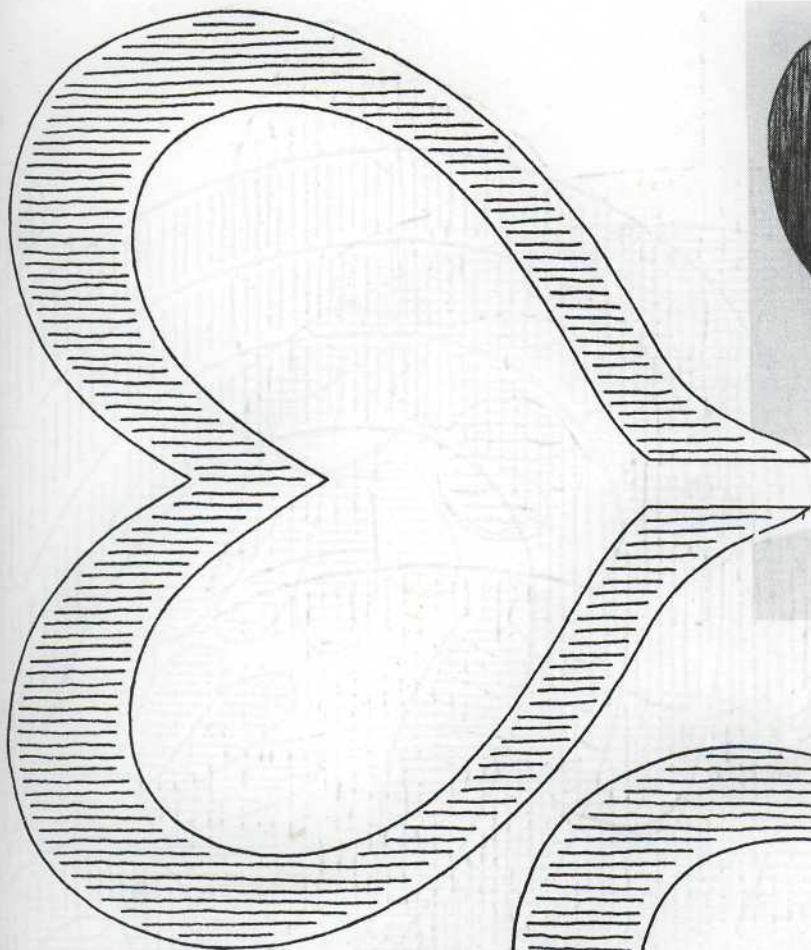

Pig mobile with 1/8-inch thick hardwood nose overlaid onto 1/4-inch plywood.

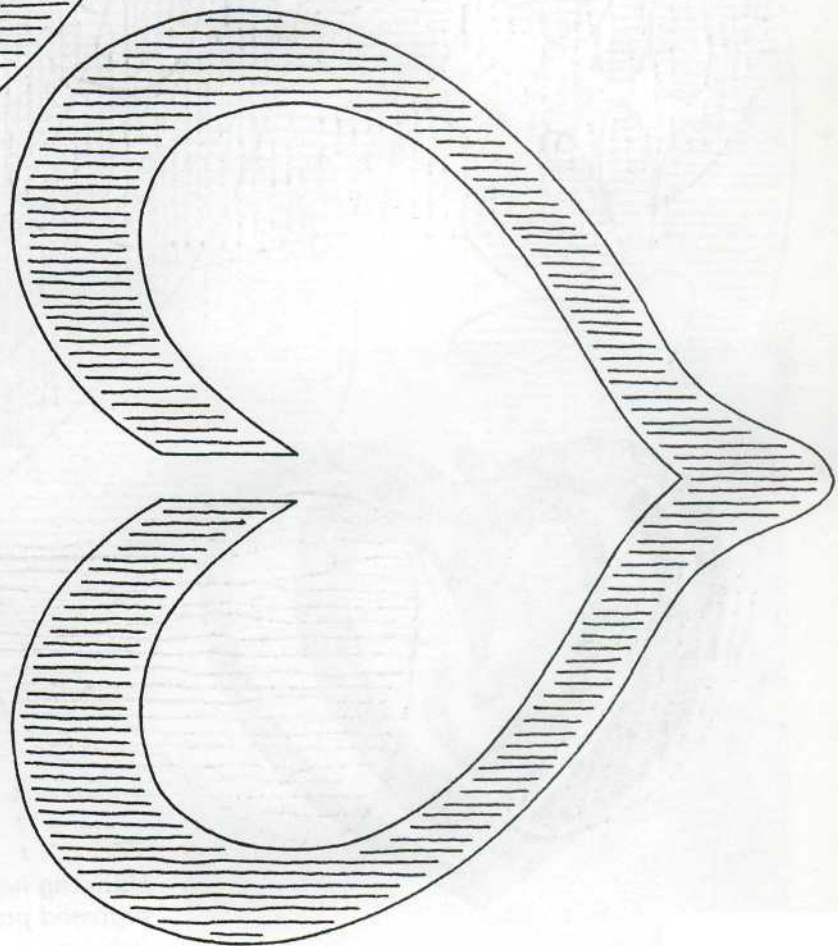

Rabbit mobile cut from 1/4-inch plywood.

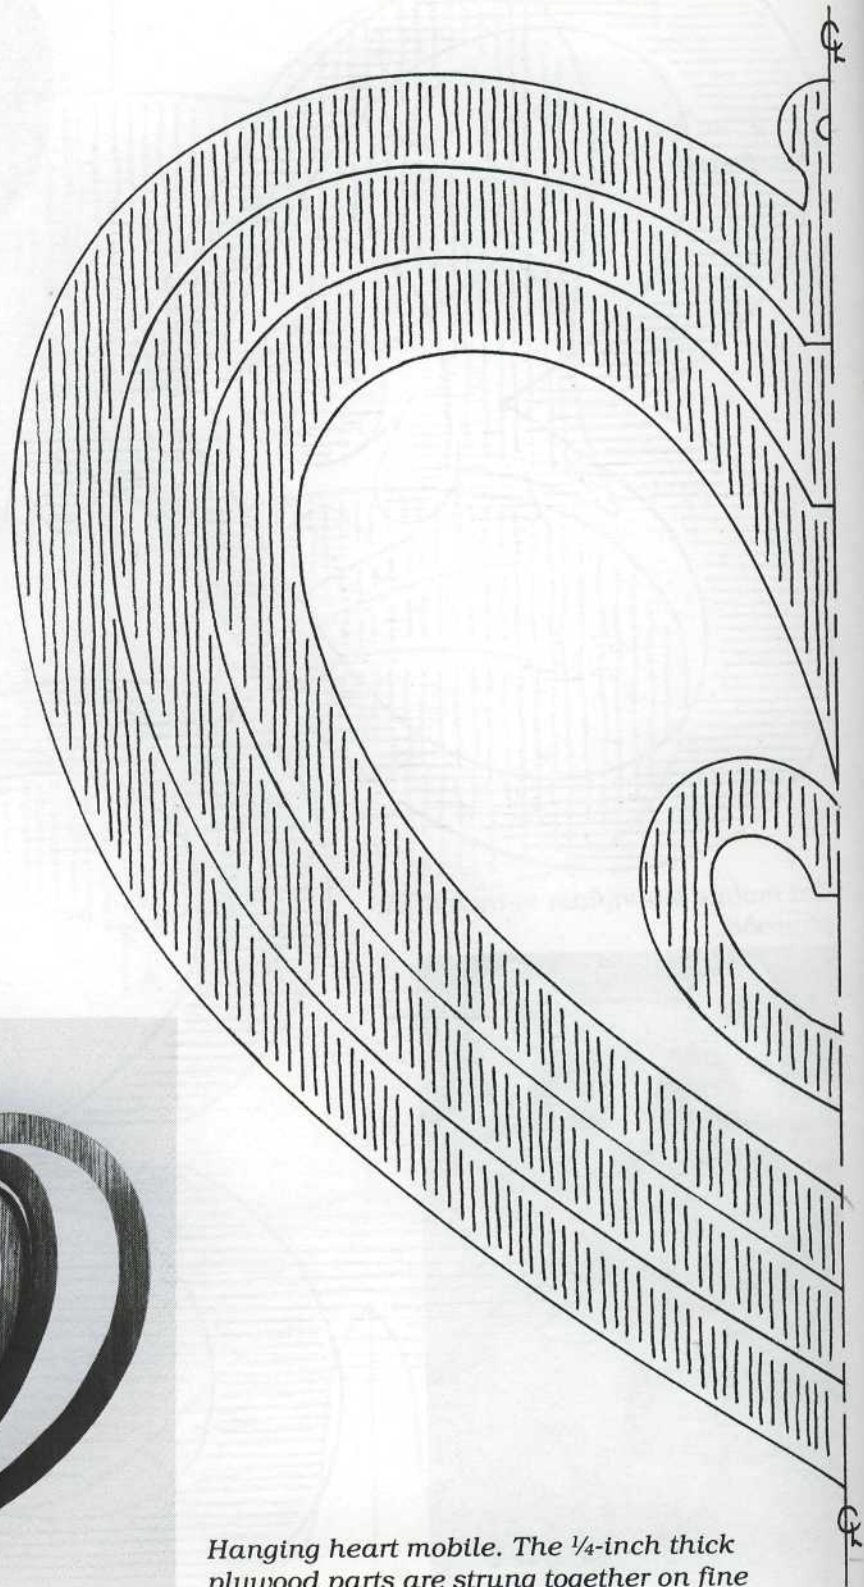

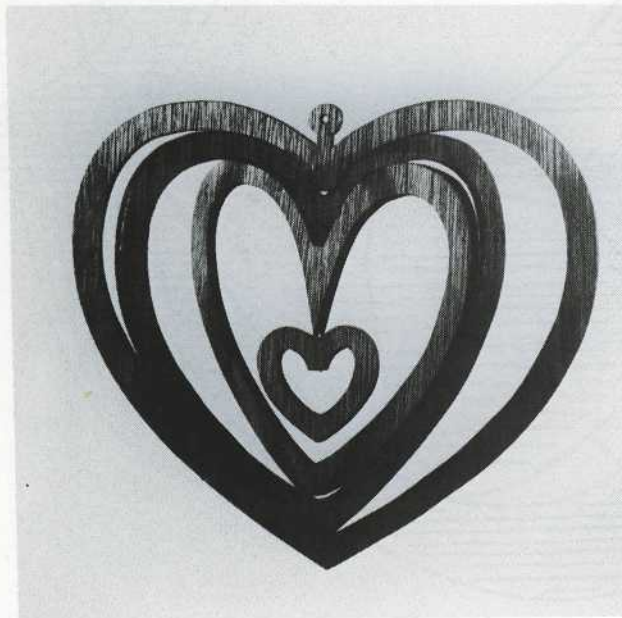

Hanging dimensional hearts have glued slip joints.

Cat mobile sawn from 1/4-inch thick plywood.

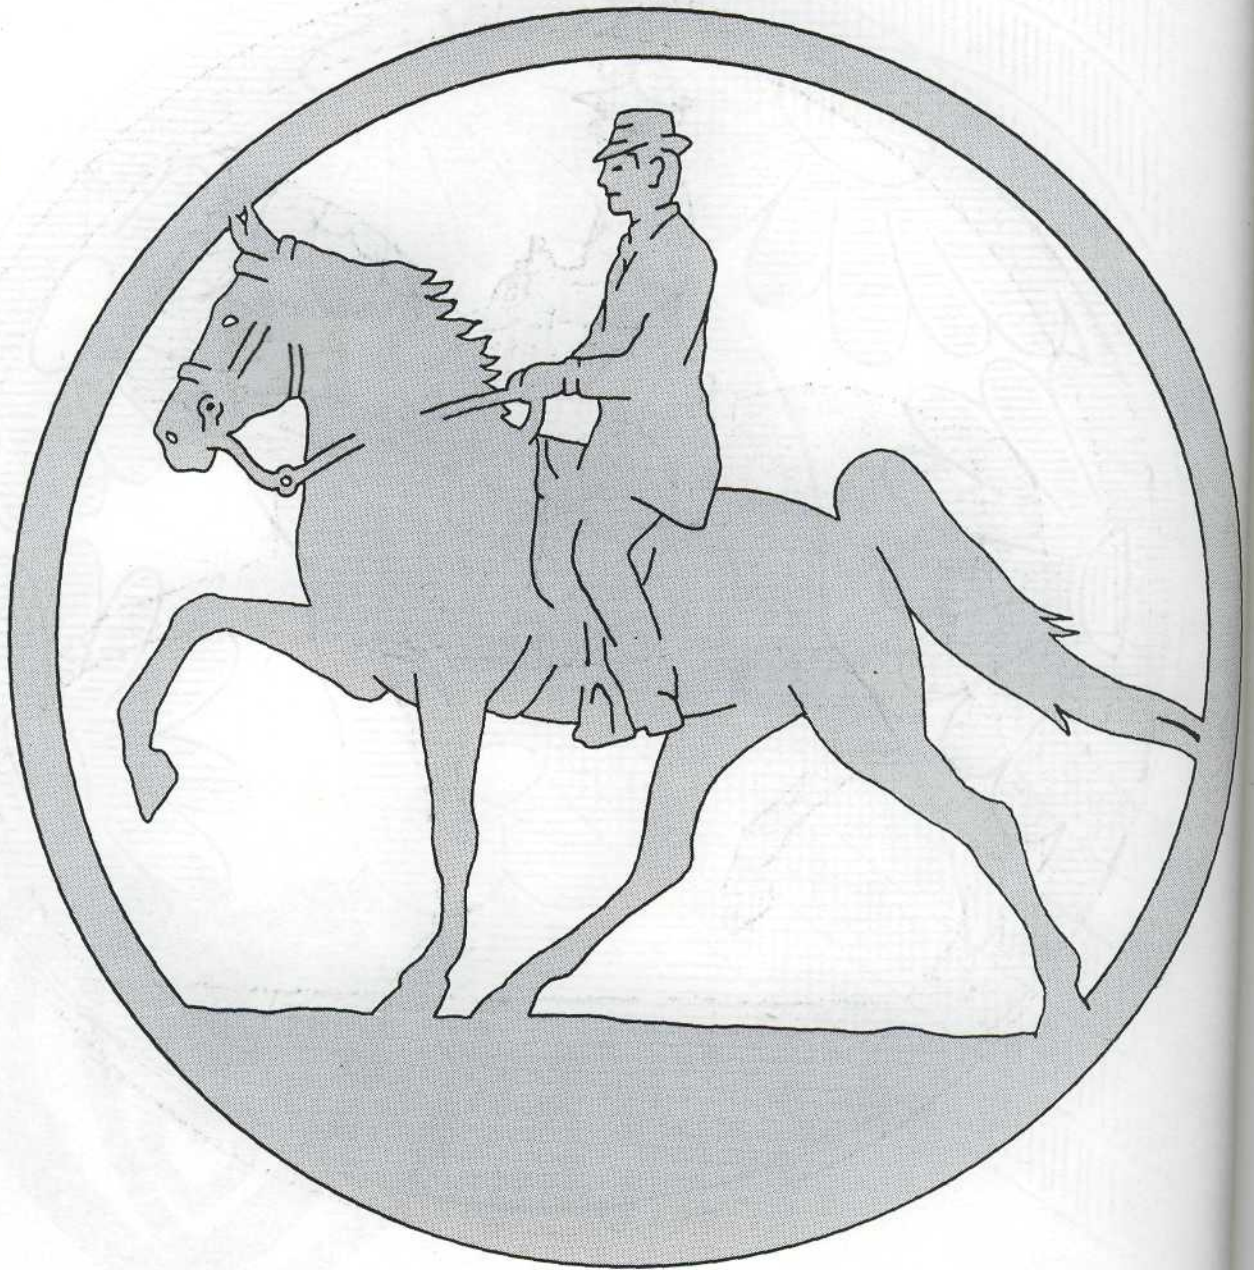

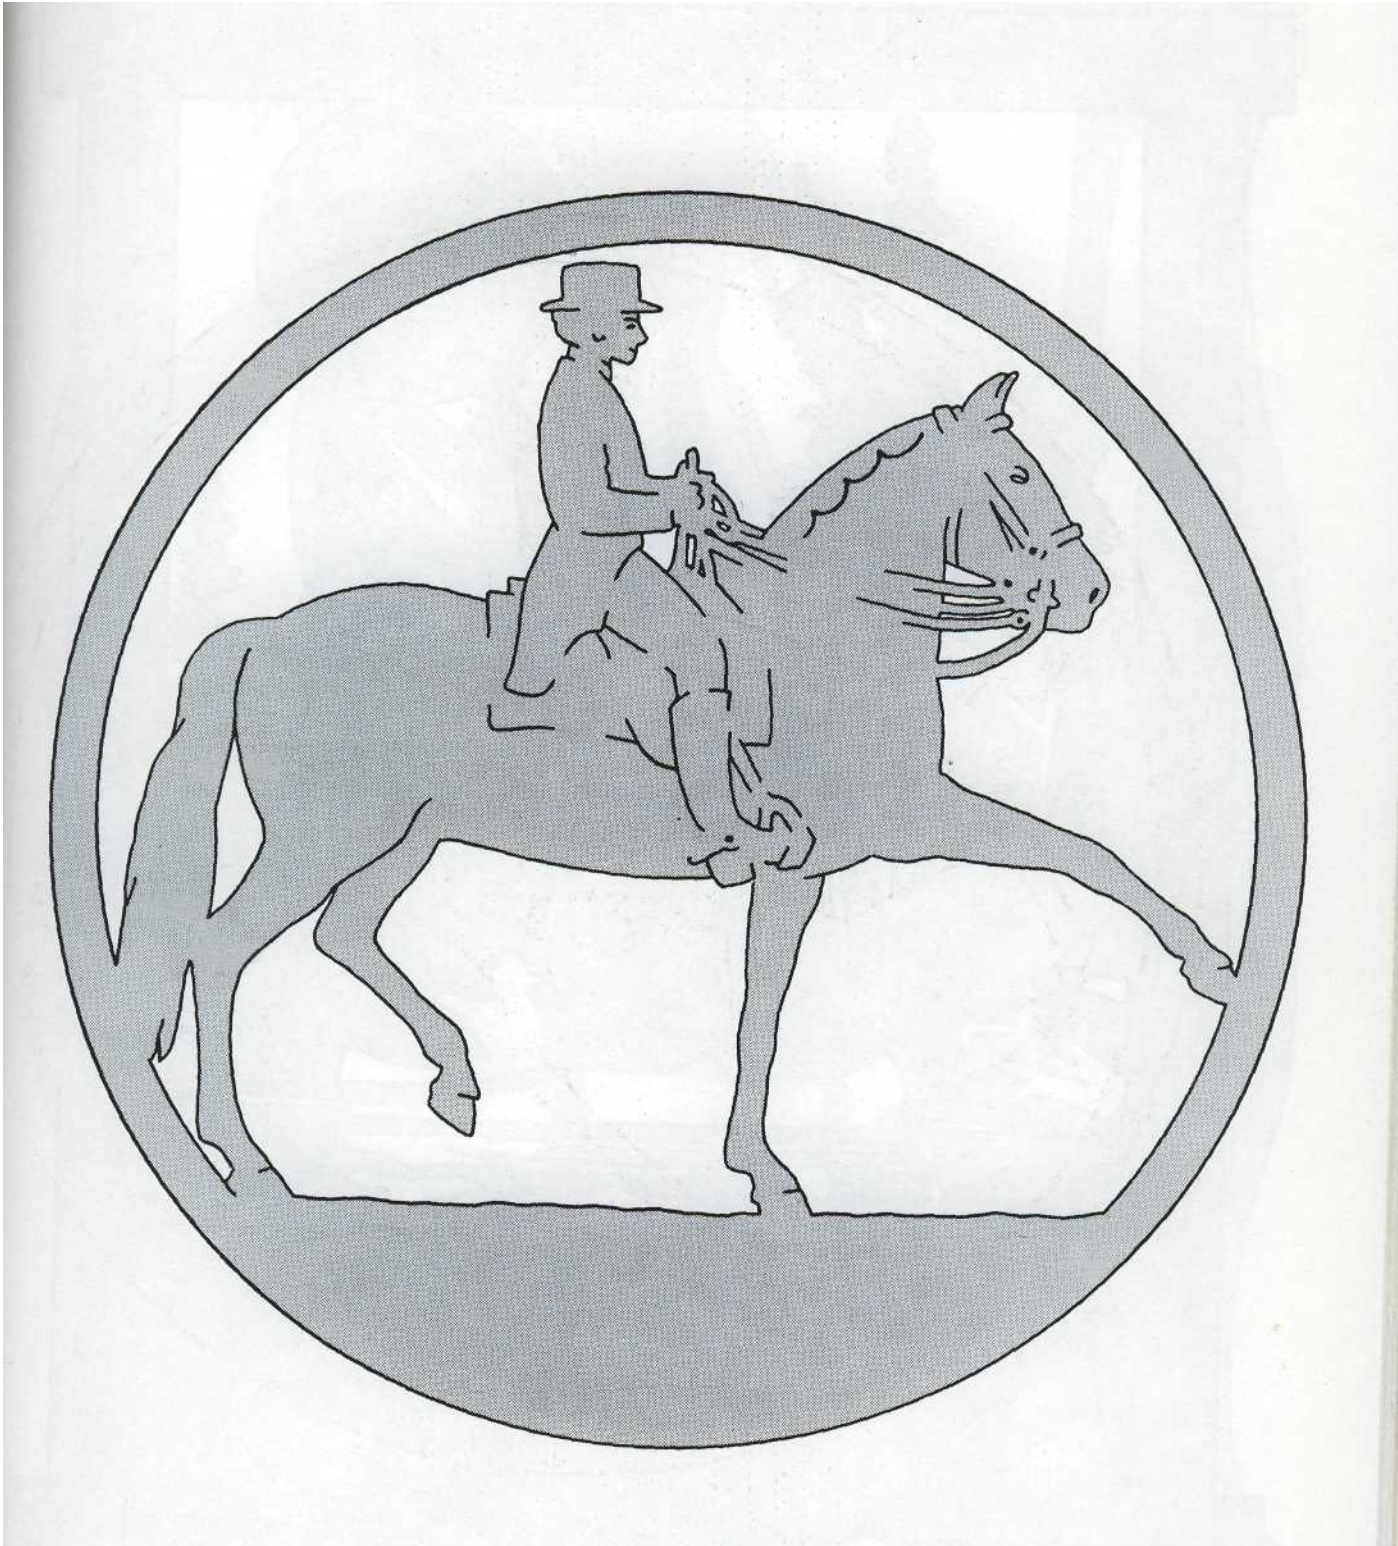

Hanging heart mobile. The 1/4-inch thick plywood parts are strung together on fine fish line.
