

BEHAVIOUR MANAGEMENT GOALS OF OUR SCHOOL

The aim of the Policy is to promote healthy, social and emotional development for all, to encourage children to develop positive self-esteem and to value others.

Our goals are as follows:

- To ensure that all stakeholders rights are respected
- To encourage all stakeholders to take on their responsibilities
- To educate students on the differences between responsible and irresponsible behaviour
- To teach students that actions have consequences
- To recognise and acknowledge responsible behaviour
- To empower students to make responsible choices about their behaviour
- To redirect irresponsible behaviour
- To develop students' problem-solving skills
