

WELCOME TO MARISCAL MINE

ENTER IF YOU DARE...

IT ALL BEGAN IN 1900 ON MARISCAL MOUNTAIN.

FARMER MARTIN SOLIS DISCOVERED....

THE BRIGHT RED MERCURY-BEARING ORE KNOWN AS....

CINNABAR

IN 1919 THE MARISCAL MINING COMPANY USED THE SCOTT FURNACE TO MELT DOWN THE CINNABAR INTO MERCURY. KNOWN TO THE MINERS AS QUICKSILVER.

LITTLE DID THEY KNOW...

THERE WAS POISON IN THE AIR!

MERCURY FUMES CAUSE
CHRONIC RESPIRATORY
PROBLEMS, TOOTH LOSS,
SALIVATION, INSANITY...

YIKES!

AND EVEN DEATH!

THE END!!!

OR IS IT JUST THE BEGINNING...

CONTINUE EXPLORING THE HISTORY
OF MARISCAL MINE TO FIND OUT
MORE ABOUT THE QUICKSILVER
MINING INDUSTRY AND ITS
EFFECTS ON THE BIG BEND AREA!
