

Address on Peace in the Atomic Era – Einstein

Activity 1: Comprehension questions

1. Why is Einstein grateful to Mrs Roosevelt?
2. Which countries succeeded in producing an atomic bomb?
3. Which idea did the USA follow during those years?
4. How about the consequences of that?
5. What's the role of mass media and schools in a context like that?
6. What happens if hydrogen bomb wins, in Einstein's opinion?

Answer the two questions Einstein asked in the text:

1. Is there any way out of this impasse created by man himself?
2. What can we do to bring about a peaceful coexistence and even loyal cooperation of the nations?

Activity 1: Select and explain

Select the sentence of the Address that struck your attention more than other sentences and explain the reason of your choice to the class.
